

REQUIRED OBSERVATION HOURS

The Department of Occupational Therapy (OT) will require applicants for the entry-level graduate program to provide evidence of occupational therapy observation hours. The applicant will provide evidence (observation form) of completion of:

- Twelve (12) observation hours with an occupational therapist or occupational therapy assistant. At least three (3) different types of OT settings must be represented (i.e. skilled nursing facility, rehab hospital, school system, acute care, mental health).
- Observation Form completed and signed by the occupational therapist or occupational therapy assistant at each site
