### IUPUI

SCHOOL OF HEALTH AND REHABILITATION SCIENCES  
 Department of Physical Therapy

## DOCTOR OF PHYSICAL THERAPY

### Purpose of the degree

To provide entry-level professional education to prepare individuals to sit for the National Physical Therapy Examination (NPTE) licensure exam and practice as autonomous physical therapists.

### Length of program

35 months (110 graduate credit hours) of professional course work and field work presented in a full-time day format starting in August of each year.

### Prerequisite coursework requirements:

• Human Anatomy with lab*	• Physics with lab (2 semesters)*
• Human Physiology with lab*	• Life Span/Human Development Psychology ^
• Statistics* (must include inferential)	• Introductory Psychology
• General Chemistry with lab (2 semesters)*	• Medical Terminology (Matriculation Requirement; not required for admission)

\*grades earned in these courses will be utilized to calculate math/science GPA which must be a 3.2 minimum.

^ Course must include entire lifespan of human development from conception to death (infant to old age); multiple courses may be required

**ALL prerequisite courses must be a minimum of 3 credit hours (with the exception of Medical Terminology). Coursework must be completed with a grade of 'C' or higher. All science courses must be at a level for science majors and include a lab. Online courses are accepted except for science courses with labs.**

### Admission Requirements

- PTCAS application ([www.ptcas.org](http://www.ptcas.org)) accepted July 1st through October 1st and must be in "Complete" status by October 1st.
- IUPUI Graduate Application also required, accepted July 1st through October 1st.
- Baccalaureate degree from a regionally accredited institution, in any major, required by in May to start of program
- No more than one (1) prerequisite remaining for completion by deadline of October 1st.
- Minimum Cumulative GPA of 3.2. **GPA will be calculated by PTCAS.** All undergraduate and graduate course work is included in cumulative grade point average calculations.
- Minimum math/science prerequisite GPA of 3.2. **GPA will be calculated by PTCAS.**
- Graduate Record Examination (GRE) general test scores required, submit directly to PTCAS with code: 7692
- PT Observation hours reflecting completion of a minimum 40 observation hours: 20 hour minimum in an inpatient setting & 20 hour minimum in an outpatient setting. Must be supervised by a licensed PT, and recorded in "Experience" section in PTCAS.
- International applicants, or applicants with foreign transcripts, must meet additional requirements as determined by the IUPUI Office of International Affairs, <http://iapply.iupui.edu/>.
- Admission Interview- First Friday of December.
- *Applicants who previously matriculated in any physical therapy program in the United States are not eligible for admissions into the IU DPT Program.*
- Detailed application instructions and information can be found on the IU DPT website: <http://shrs.iupui.edu/admissions/apply/doctorate-physical-therapy/index.html>. Please review all requirements before submitting application.

**Applicants are extended an offer of admission based on cumulative GPA, prerequisite GPA, Verbal GRE score, observation hours, personal statement, and interview.  
The top 38-40 applicants will be offered a place in the Program.**

### Credit Retake Hours

Students are approved to retake up to 15 hours of math/science prerequisite courses, and the higher grade will be used to calculate the math/science prerequisite GPA. Cumulative GPA will include each course completed according to the institutional repeat policy where the course(s) were repeated.

### Advanced Placement (AP) Credit/Dual Credit

High School Advance Placement (AP) credit appearing on official college transcripts is accepted if score is 3 or higher. If the AP credit is for a prerequisite course, the course is omitted from the prerequisite GPA. For dual credit courses, the course title must appear on an official college transcript with letter grade.
