DOCTOR OF PHYSICAL THERAPY

Purpose of the degree

To provide entry-level professional education to prepare individuals to sit for the National Physical Therapy Examination (NPTE) licensure exam and practice as autonomous physical therapists.

Length of program

35 months (105 graduate credit hours) of professional course work and field work presented in a full-time day format starting in August of each year.

Prerequisite coursework requirements:

• Human Anatomy with lab*	• Physics with lab (2 semesters)*
• Human Physiology with lab*	• Life Span/Human Development Psychology ^
• Statistics* (must include inferential)	• Introductory Psychology
• General Chemistry with lab (2 semesters)*	• Medical Terminology (Matriculation Requirement; not required for admission)

*grades earned in these courses will be utilized to calculate math/science GPA which must be a 3.2 minimum.

^ Course must include entire lifespan of human development from conception to death (infant to old age); multiple courses may be required

ALL prerequisite courses must be a minimum of 3 credit hours (with the exception of Medical Terminology). Coursework must be completed with a grade of 'C' or higher. All science courses must be at a level for science majors and include a lab. Online courses are accepted except for science courses with labs.

Admission Requirements

- PTCAS application (www.ptcas.org) accepted July 1st through October 1st, and must be in "Complete" status by October 1st.
- IUPUI Graduate Application also required, accepted July 1st through October 1st.
- Baccalaureate degree from a regionally accredited institution, in any major, required by June 15th prior to start of program
- No more than one (1) prerequisite remaining for completion by deadline of October 1st (completed by June 15th with a 'C' or higher).
- Minimum Cumulative GPA of 3.2. **GPA will be calculated by PTCAS.** All undergraduate and graduate course work is included in cumulative grade point average calculations.
- Minimum math/science prerequisite GPA of 3.2. **GPA will be calculated by PTCAS.**
- Graduate Record Examination (GRE) general test scores required, submit directly to PTCAS with code: 7692
- PT Observation hours reflecting completion of a minimum 40 observation hours: 20 hour minimum in an inpatient setting & 20 hour minimum in an outpatient setting. Must be supervised by a licensed PT, and recorded in "Experience" section in PTCAS.
- International applicants, or applicants with foreign transcripts, must meet additional requirements as determined by the IUPUI Office of International Affairs, <http://iapply.iupui.edu/>.
- Admission Interview- First Friday of December.
- *Applicants who previously matriculated in any physical therapy program in the United States are not eligible for admissions into the IU DPT Program.*
- Detailed application instructions and information can be found on the IU DPT website: <http://shrs.iupui.edu/admissions/apply/doctorate-physical-therapy/index.html>. Please review all requirements before submitting application.

**Applicants are extended an offer of admission based on cumulative GPA, prerequisite GPA, Verbal GRE score, observation hours, personal statement, and interview.
The top 38-40 applicants will be offered a place in the Program.**

Credit Retake Hours

Students are approved to retake up to 15 hours of math/science prerequisite courses, and the higher grade will be used to calculate the math/science prerequisite GPA. Cumulative GPA will include each course completed according to the institutional repeat policy where the course(s) were repeated.

Advanced Placement (AP) Credit/Dual Credit

High School Advance Placement (AP) credit appearing on official college transcripts is accepted if score is 3 or higher. If the AP credit is for a prerequisite course, the course is omitted from the prerequisite GPA. For dual credit courses, the course title must appear on an official college transcript with letter grade.
