Reminder about Banded Tuition beginning in Fall 2016
Effective Fall 2016, full-time undergraduate students enrolled in on-campus degree programs at IUPUI will pay the same amount for their basic tuition when taking between 12 credits and 18 credits, rather than pay a per-credit rate. Students taking fewer than 12 credits in a semester will continue to pay the per-credit rate, and students enrolled in 19 or more credit hours will pay the banded tuition rate up to 18 credit hours plus the per-credit tuition rate for each credit over 18. The banded tuition rate will be set at the equivalent of 15 credit hours under the per-credit system, and the banded tuition rate will be different for in-state and out-of-state residents. For more information, visit the Office of the Bursar.

Academic Advising Inquiries
Lindsey Atkinson has left the Health Sciences Department. Please direct all advising inquiries to Kathy Weaver at kaweaver@iupui.edu. We appreciate your patience during this transition! A special announcement will be made when a new advisor has begun – stay tuned!

Study Abroad in Japan – Scholarship Available for BSHS Students
The Japanese program at IUPUI will be offering a study abroad program, “Japan: Health Care Professions” in Summer 2016. The program is open to undergraduates in the health care disciplines: Social Work, Science (psychology, Pre-Med), Nursing, Public Health, Health and Rehabilitation Sciences, and Liberal Arts (medical humanities, medical sociology; health communication). Students in the five Indiana University Schools are eligible. Thanks to the support of the Japan Foundation’s Institutional Project Support (IPS) Small Grant Program, participants in the “Japan: Health Care Professions” 2016 program will receive a $600 scholarship that can be used toward the program fee. For detailed program information, please visit the link below: https://iabroad.iu.edu/istart/controllers/inquiry/Flyer.cfm?programID=615
The application deadline is February 15th, 2016.
