Schedule an Advising Appointment Now
Now is the time to start planning for Spring 2017 enrollment. To schedule an appointment with Ashley click here. The Spring 2017 schedule of classes is now available in your Student Center.

Important Deadlines
Dropping a course online through One.IU.Edu continues through October 23rd. For other important Fall 2016 deadlines, consult the Registrar’s Office at this link: http://registrar.iupui.edu/enrollment/4168/cal4168.html

New course offering for Spring 2017
Take a course and receive credit for your internship

IUPUI Family Weekend
There is a full weekend of fun planned for this year’s Family Weekend. Registration for this event is limited so act quickly. Registration will close on Friday October 21, so talk to your family and plan a weekend at IUPUI. Register at www.families.iupui.edu today!

Community Health Network Shadowing Lab – Apply today!
Community Health Network is sponsoring a shadowing lab open to 10 IUPUI SHRS undergraduate students on Saturday October 22 from 8am-12pm. Apply online at http://go.iu.edu/1mKl. Students that are selected will receive details and a confirmation email. Preference is given to sophomores and juniors pursuing careers and graduate school in Occupational Therapy and Physical Therapy.

Eskenazi Health Internship Opportunity in Program Evaluation
Eskenazi Health Center—Service Excellence provides a professional hands-on experience in assisting the intern with understanding the processes of enhancing the patient’s experience. The intern’s role will assist in service observations/examination of customer service in the ambulatory settings, external research of trends, design, development of reporting solutions, in addition to guided qualitative and quantitative research projects. Each internship experience is tailored to meet the interests of the intern in conjunction with the current activities of the department. The internship is available to students who are currently enrolled in a degree-seeking program and for-credit-only. View Attachment FQHC Excellence Intern for more details and for information on how to apply.

Part-Time Job Opportunity at Autism Society of Indiana
The Autism Society of Indiana seeks Direct Care Allies to work with individuals with Autism. Duties include: Engaging children and young adults with autism in fun and safe activities, assistance with personal care/hygiene, assisting with mobility, adherence to risk plans, reinforcement of behavior supports, toileting, meals, errands, scheduling appointments, chores and leisure activities and escorting individuals in the community to access community activities as defined in their person centered plan. View attachment – Direct Care Ally for more information. To apply, send a resume and cover letter to Cody Biokot (codybiokot@isauautism.org). To apply or to ask any questions, please contact Carolyn Muegge (carolyn.muegge@nipsh.org).

National Institute for Public Safety Health seeks Research Assistant
The National Institute for Public Safety Health seeks a Research Assistant. Individuals with previous research experience (including undergraduate students are encouraged to apply). For more information see the attachment “Research Assist NIPSH”. To apply or to ask any questions, please contact Carolyn Muegge (carolyn.muegge@nipsh.org).
