Research Internship – Immediate Openings for Spring 2017

Duties include: Filing and chart organization, scanning participant materials, requesting medical records, conducting and completing phone screens, shadowing Neurologists, MRI, PETs, and cognitive testing. While the experience is unpaid, it is ideal for students interested in working in a research setting. Preference is given to students who can commit to at least 2 semesters, approximately 10 hours per week. Schedule is flexible based on class schedules. To apply, send your transcript, resume, and a letter of interest to Tim Scully at scullyt@iu.edu.
