IUPUI Graduate Expo – TOMORROW – View Attachment

The Indiana University-Purdue University Indianapolis Graduate Office is hosting its annual Graduate Expo from 10 a.m. to 2 p.m. Thursday, Sept. 22. The expo is open to anyone who wants to learn about graduate school opportunities. Prospective students are encouraged to drop in anytime during the four-hour time frame. The event will take place at the IUPUI Campus Center, 4th Floor. Representatives from more than 20 IUPUI graduate and professional programs, as well as from more than 40 other universities, will be on hand in a fair-type atmosphere to talk with and provide information to people considering graduate school. The expo also features three breakout sessions: GRE Test Preparation, Funding Graduate School and Writing a Personal Statement.

IUPUI Regatta

The IUPUI Regatta Presented by Herff Jones will be this Saturday, Sept. 24, at 10 a.m. The BSHS Program has 4 teams competing this year including your academic advisor, Ashley Bunelison! Bring your friends and family to the Downtown Canal between 10th and 11th streets for fun, food, live music, games and the ISoO-teams canoe race. Battleships finals and the Cardboard Boat competition will also occur. Admission is free, and anyone is welcome.

Proceeds benefit student scholarships. Visit the website for information about activities and parking. #YouGottaRegatta #TheGrillRegatta

Fall Career Week is Next Week

View the entire Fall Career Week schedule by visiting www.fallcareerweek.iupui.edu. Additionally, plan to attend these events targeted specifically for BSHS students. A special edition of BSHS News highlighting Fall Career Week will be sent out the week before September 26th-September 30th.

CarnegieCareers-OT, PT, PA: MON SEPT 26th – 4:30pm – Campus Center, Room 405
If you plan to pursue a graduate program in Occupational Therapy, Physical Therapy, or Physician Assistant, then this is the session for you. Come hear from the Director of Enrollment Services in the School of Health and Rehabilitation Sciences about admission requirements, pre-requisite courses, and current students in each of the programs.

Health and Life Sciences Experience Expo: TUES SEPT 27th – 11am-5pm – Campus Center, Room 450
The Health and Life Sciences Experience Expo is an opportunity for pre-health students to explore experiential opportunities available within health-related academic programs, student organizations, and community partners. This is not a career fair! Rather, students will have the opportunity to sculpt their college experience by learning about different majors and careers available within healthcare, and networking with organizations offering volunteer and internship opportunities appropriate for the exploratory stage of a student’s college career.

What can a Health Science degree do for you? WED SEPT 28th – 4:30pm – Campus Center, Room 409
Interpreting the field of healthcare? Come learn about the Bachelor of Science in Health Sciences (BSHS) degree program in the School of Health and Rehabilitation Sciences and hear from employers from Noble of IN, the Indiana Donor Network, Millennium Health Medical Sales, and Select Sensor Care (currently hiring!).

OTEAM (Orientation Team) Information Sessions – Beginning Wednesday, October 5
Interested in applying for OTEAM (Orientation Team)? Come to an information meeting to learn more about the requirements and expectations.

- Thursday, Sept. 22, from 3 to 4 p.m. in UC 104
- Monday, Sept. 26, from 3 to 4 p.m. in UC 104
- Tuesday, Oct. 4, from 11 a.m to noon in UC 104
- Wednesday, Oct. 12, from noon to 1 p.m. in UC 104

Questions? Contact us at oteam@iupui.edu or 317-278-9516

OT Faculty Member seeking paid Research Assistant – View Attachment

The research assistant will support current and future studies conducted at Dr. Chung-ju (CJ) Liu’s lab in the Department of Occupational Therapy at Indiana University School of Health and Rehabilitation Sciences. Dr. Liu’s research focuses on supporting older adults living independently in the community (aging in place). The assistant will work on participant recruitment, application and maintenance of IRB approval, carry out study programs, data collection and management, manuscript preparation, and any additional duties as assigned by the supervisor. Time commitment for the job is approximately 10 to 15 hours per week. The pay rate is between $10 to $12, depending on your experience and qualification.

This job will require travel to the community study site.

REQUIRED: Undergraduate or graduate students from an accredited institution in science or health-related field (i.e., nursing or allied health professions). Excellent organizational skills, attention to detail, communication skills, and computer skills (use of Microsoft Office Programs). Prior research experience is preferred. Submit a cover letter with contact information of two references to liu41@iu.edu before September 28th, 2016.

Samplemoregreen seeking Brand Ambassadors – View Attachment

SMG is a health product and food services company who has been in business since 2007 and has worked with over 500 clients in the health food and product industry. We are currently recruiting energetic students who are interested in representing a well known gluten/allergen free company at the upcoming GF Food Allergy Fest, Indianapolis, IN. This is a paid temporary position for October 28 - October 30.

This is a paid temporary position for October 28 - October 30.
