Important Admission Deadlines

Master of Occupational Therapy Admission Deadline: October 1st, 2016
Select Senior Care is Hiring
Select Senior Care is hiring in home Caregivers to assist with in home activities and daily living tasks. Hours are flexible with night and weekend shifts available. Submit your resume directly to seniorscare@selecthhs.com or call 317-804-7115. Pay is $9-$10/hr with paid training included. View the attachment “Select Senior Care All Jobs” for additional information.

Fall Career Week – Healthcare Related Events
View the entire Fall Career Week schedule by visiting www.fallcareerweek.iupui.edu. Additionally, plan to attend these events targeted specifically for BSHS students. A special edition of BSHS News highlighting Fall Career Week will be sent out the week before September 26th-September 30th.

Careers in Healthcare-OT, PT, PA, MON SEPT 26th – 4:30pm – Campus Center, Room 405
If you plan to pursue a graduate program in Occupational Therapy, Physical Therapy, or Physician Assistant, then this is the session for you. Come hear from the Director of Enrollment Services in the School of Health and Rehabilitation Sciences about admission requirements, pre-requisite courses, and current students in each of the programs.

Health and Life Sciences Experience Expo: TUES SEPT 27th – 11am-1pm – Campus Center, Room 450
The Health and Life Science Experience Expo is an opportunity for pre-health students to explore experiential opportunities available within health-related academic programs, student organizations, and community partners. This is a career fair! Rather, students will have the opportunity to sculpt their college experience by learning about different majors and careers available within healthcare, and networking with organizations offering volunteer and internship opportunities appropriate for the exploratory stage of a student’s college career.

What can a Health Science degree do for you?: WED SEPT 28th – 4:30pm – Campus Center, Room 409
Interested in the field of healthcare? Come learn about the Bachelor of Science in Health Science (BSHS) degree program in the School of Health and Rehabilitation Sciences and hear from employers from Noble of IN, the Indiana Donor Network, Millennium Health Medical Sales, and Select Senior Care (currently hiring!).

August 2017 graduates must apply by January 19th
December 2017 graduates must apply by May 15th

Pass the Torch for Women Scholarships
Sent on behalf of the Division of Undergraduate Education
The Pass the Torch for Women Foundation provides a wonderful opportunity for students like YOU to take part in a program that will help you grow both personally and professionally. You have been personally chosen to take part in this mentoring program where you will be matched with top mentors in the nation and take part in module classes on the Fundamentals in Mentoring, Propelling Your Career with Mentors and Sponsors, The Art of Negotiation, Networking with Intention, Financial Fitness, Health and Wellness, and Building Confidence.

The Pass the Torch for Women Foundation Project Grow Scholarship allows you to build meaningful relationships while you are in school with the hope that you will have a strong network once you have left IUPUI. Think of how many connections you will make and how this will build your resume! We know that time is valuable and we believe this program will be worth every moment—only a couple hours per month of your time. Please fill out the short application by September 16th in order to be considered for this program. You have been selected for this program because of your excellence in and outside of the classroom; we hope you seize this opportunity!
