**SHRS-W 264 Enrollment**

If you are attempting to enroll in SHRS-W264, you will notice it is closed. There is an error happening with our system that unfortunately will not allow anyone to yet enroll. This will be fixed late this week or early the following week.

The class is not yet full and is putting everyone on the waitlist. If you need this course, **ADD YOURSELF TO THE WAITLIST!** When this error is corrected, the system will pull the first 40 students from the waitlist into the course. From there, a legitimate waitlist will begin. It will not enroll you if you are registered for 16+ hours or have any holds added between now and then.

We are sorry for the inconvenience. Please continue to let us know if you see anything abnormal happening with classes or course enrollment and we’ll continue to troubleshoot through the challenges.

Ever wondered about going to law school? The NEW Pathway to Law Program may be for you! See the attached flyer or visit their site for details.
Pathway to the Law

Ever wondered about going to law school? This program is for you!

The Indiana University Robert H. McKinney School of Law, in cooperation with the American Bar Association (ABA) – the world’s best-known association of lawyers, and partners at IUPUI, is offering a pipeline program to increase opportunities for students whose backgrounds are traditionally underrepresented in the legal profession.

This program will help undergraduate students like you develop skills in critical thinking, reading comprehension, as well as study and test preparation strategies, all of which helps you do your best on the LSAT, in law school, on the bar exam, and throughout your career.

You will also come out with a broader understanding of the legal profession, along with access to mentors and networking opportunities as early as possible.

» Applications available online after October 7:
https://mckinneylaw.iu.edu/admissions/jd/diversity/pathway-to-the-law.html

If selected for the program:

- You will participate in a four-course 10 credit sequence of online courses beginning in 2018 as part of your undergraduate degree program. This sequence includes:
  - Introduction to the Legal Profession, in which you will learn how law is created, how to study the law, and how to apply it;
  - Legal Writing Skills, will provide instruction in the basics of written legal communication and legal research;
  - Critical Thinking and Comprehension Skills, will teach you how to perform the key legal skills of logical analysis, reasoning and problem solving; and
  - Advanced Critical Thinking and Comprehension Skills, will further develop these skills, with a special focus on the subjects covered in the first year of law school.
- You will work with law student, attorney, and/or law faculty mentors.
- You will meet with law school recruiters and professors and be invited to law school activities.
- You will receive assistance preparing for the Law School Admission Test (LSAT).
- You will receive assistance preparing a successful law school application.
- You will receive up to $2,000 in book awards over the course of the program.

For answers to questions regarding this program or more information, please contact pathway@iu.edu.

Senior Home Companions

Multiple Caregivers Needed - Flexible Schedules Available!

Job Description

If you have a passion for helping people and impacting their lives, Senior Home Companions is the place for you!

SHC caregivers have been serving clients for over 20 years throughout Indianapolis and the seven surrounding counties - that means cases close to home!

Our caregivers have a variety of backgrounds. We have retired school teachers, financial planners, stay-at-home moms and of course, Certified Nursing Assistants and Home Health Aides.

Benefits Include:

- Caregivers Carefully Matched with Clients to Ensure a Good Fit
- Full-Time & Part-Time Positions Available
- Health Insurance After 1 year of Employment
- Referral Bonus Opportunities
- Employee Recognition Program
- Caregiver Support Group
- Ongoing Training Available
- Flexible Schedules
- Direct Deposit

Job Requirements

Our primary concern is that our caregivers have a passion for serving the elderly and some experience either in their own family or professionally in serving older adults.

Above all, we want caregivers who serve because they want to make a difference and sincerely embrace our mission of enhancing lives by providing exceptional care.

APPLICATION: To inquire more about caregiving opportunities, please contact Susie Wolfley, (317) 981-7168 or via email to swolfley@shcindiana.com

Medical Scribe - Indiana Hand to Shoulder Center

The central role of the Medical Scribe is to relieve the physician of clerical or secretarial duties; thus allowing the physician to focus more directly on clinical care. The scribe is an unlicensed person and exclusively non-clinical. They do not touch patients and do not engage in any type of patient care. A scribe’s role is limited to documentation and efficiency management for the physician.

The scribe observes the physician during patient encounters and performs documentation on the physician’s behalf. Under the direction of the physician, they enter information into the patient’s electronic chart. All documentation is reviewed and edited by the physician. It is signed with an attestation by the provider that the scribed chart accurately reflects all work, treatment, procedures, and medical decision making performed by them.

At the physician’s request, the scribe must be able to locate past medical records, prior lab/radiology results, or past visit histories for the physician to review. Additionally, within the EMR itself the scribe needs the ability to enter data into the chart on the physician’s behalf. All scribe-entered data is reviewed and authenticated by the physician.

Candidates must possess the following qualities:

- Professional demeanor
- Strong writing & communication skills
- Quick and accurate typing speed
- Self-motivation
- Ability to handle a high pressure environment and manage multiple priorities
- Proficiency in the English language
- Some exposure to anatomy or physiology and preferably medical terminology

This position involves travel between office located in downtown Indianapolis, northside Indianapolis, and Terre Haute (can carpool). ~24 hours per week
