We are now accepting applications for the Karen Gable Health Sciences Scholarship!

The Karen Gable Scholarship will be awarded to a non-traditional student who is a Junior or Senior (90+ credit hours) student enrolled in the Bachelor of Science in Health Sciences Program or a Graduate student enrolled in the Master’s in Health Sciences Program. Student must have a record of academic excellence with a demonstrated cumulative IU GPA of at least 3.0 on a 4.0 scale. Preference will be given to students who are currently working in or have prior work experience in the healthcare sector and have expressed an interest in pursuing a career as a healthcare educator.

Instructions: In order to be considered for this scholarship, you must complete an application online and upload all applicable documents prior to December 31, 2017. These items include:

1. Listing of your scholastic achievements and Co/Extracurricular Activities

2. Personal Statement - A Personal Statement is required which explains why you should be selected to receive the Karen Gable Scholarship. You should provide convincing justification your current experiences in the healthcare sector and/or your plans to pursue a career in a profession as a health educator in the healthcare sector makes you a deserving recipient. (1 page, 12 point, Times New Roman, 1 inch margins)

3. Updated Resume/CV

4. Your Unofficial Transcript showing your current IU cumulative GPA (can be in a word document)

Upload all of these documents and complete the necessary application information online at https://shrs.iupui.edu/tuition-scholarships/hs-gable.html

We look forward to your application!

Karen Gable Health Sciences Scholarship

**Volunteer Opportunities, Internships, and Job Openings**

**IEEI Intern - Eskenazi Health**

*Description*

The Initiative for Empowerment and Economic Independence (IEEI) program is designed to provide full-time, paid internships for college students with physical and sensory disabilities. We pair students with departments that align with their career or major path.

*Responsibilities*

Responsibilities will adjust, depending on the department interns are placed in. Eskenazi Health will ensure that interns will work with managers to create projects and tasks that will contribute to a worthwhile experience.

*Qualifications*

Current college student, graduate student, or recent graduate.

Physical or sensory disability. (Mobility, deaf/hard of hearing, blind, visually impaired.)

Apply Online: [https://indianaintern.net/internships/detail/16064/ieei-intern](https://indianaintern.net/internships/detail/16064/ieei-intern)

**Care Rounding Ambassador Volunteer - Eskenazi Health**

*Summary:* The volunteer will support Eskenazi Health's Mission to advocate, care, teach and serve. Volunteers will assist in determining patient needs and satisfaction through care rounding.

*Duties & Responsibilities:*

1. Assess patient room and environment of care (ensuring no clutter, items within patient reach, walkways clear, bathroom clean).

2. Report patient requests, and other observations, to staff.
3. Conduct continual service rounding on inpatient care areas to promote patient satisfaction.

4. Restock supplies, file, answer phones and other clerical needs.

5. Complete all necessary paperwork and evaluation forms following each interaction.

6. Follow all policies and procedures set forth by Eskenazi Health.
7. Perform related duties as assigned.

Must comply with HIPAA standards, policies and procedures of maintaining confidentiality of patient and medical information.

Apply Online: http://www.eskenazihealth.edu/careers/job-search
