Important University Announcements

- The Graduation Application Deadline for May 2018 graduates is October 15th. Click here to apply

- Withdrawal with an automatic grade of W (Requires advisor approval via the Late drop/add classes link in One.IU) ends on Sunday, October 22nd

- Reminder that all students must sign up for Two-Step Login (Duo) for all CAS logins by November 2. You can do this by going to twostep.iu.edu and enrolling now and then set up the mobile app on your device (https://kb.iu.edu/d/bfkp#smart). This extra step provides an additional layer of security to protect your information

Health Sciences Building has moved

Did you know the Department of Health Sciences is now located at 1050 Wishard Blvd on the 3rd floor in Suite 3001? Stop by and check out our Office suite and say hello to
your Advisors, Faculty, and Staff! We also have a seating area, if you would like to come in and study in a quiet space.

**Cheer on SHRS this Saturday at the IUPUI Regatta!**
Don’t forget to come out this Saturday to support our four teams participating in this year’s Regatta!

- Rehab Rowers and SHRS Rehab Rowers will race at 11:15am
- #SHRSisExtra will race at 11:55am
- SHRS Cruisers will race at 1:55pm

Study Aboard Opportunities

Nicaragua - Spring Break 2018

Textbooks and classrooms have their place, but nothing beats studying abroad in a foreign country! Join the Indiana University Richard M. Fairbanks School of Public Health when we travel to Nicaragua to gain unique insights into global health systems by studying the health system in Nicaragua.
Attend An Information Session
Interested in spending a week in Central America? Attend an information session to learn more about the study abroad trip, better understand the application process, and hear from fellow students about their experience on the trip last year. **Two information sessions are happening next week.** Attend either one to learn more about the Nicaragua trip!

**Information Sessions**
Monday, September 18, 2017 | 12:00 p.m. - 1:00 p.m. | RG 6040
Tuesday, September 19, 2017 | 5:00 p.m. - 6:00 p.m. | RG 6040

Can't make one of the two information sessions? [Check out our website](#) to learn more about the trip. Still have questions? Feel free to email me at lwissel@iu.edu with any questions.

**Application Deadline**
Friday, October 27
Apply through the iAbroad system*. Scholarship applications are also open. Learn more [here](#).

Don't pass up this awesome opportunity to take your public health education abroad!

---

**London - Spring Break 2018**

Textbooks and classrooms have their place, but nothing beats studying abroad in a foreign country! Join the Indiana University Richard M. Fairbanks School of Public Health when we travel to beautiful, historic London to gain unique insights into global health systems by studying England's National Health Service (NHS).

**Attend An Information Session**
Interested in spending a week across the pond? Attend an information session to learn more about the study abroad trip, better understand the application process, and hear from fellow students about their experience on the trip last year. **Two information sessions are happening next week.** Attend either one to learn more about the London trip!
Information Sessions
Monday, September 18, 2017 | 12:00 p.m. - 1:00 p.m. | RG 6040
Tuesday, September 19, 2017 | 5:00 p.m. - 6:00 p.m. | RG 6040

Can't make one of the two information sessions? Check out our website to learn more about the trip and feel free to email me at lwissel@iu.edu with any questions.

Application Deadline
Friday, October 27
Apply through the iAbroad system.
Scholarship applications are also open. Learn more here.

Don't pass up this awesome opportunity to take your public health education abroad!
3 CREDITS
S400/600 Health and Behavioral Health in a Global Context: Interprofessional Collaborative Practice / 3 CR. HRS.

COURSE DESCRIPTION:
Given the globalization of health care and the importance of interprofessional collaborative practices in health care, it is important for future health care professionals to expand their understanding and knowledge about health care programs beyond the U.S.
In this course, students will explore and experience health and behavioral health care programs and interprofessional collaborative practices in diverse settings in South Korea. Also, students will experience cultural enrichment through on-site course, agency visits, and interactions with Korean students.

THE PROGRAM INCLUDES:
> On-campus orientation sessions & in-country course work in South Korea for 15 days
> Visits to a variety of health and behavioral health care agencies such as government agencies that manage the South Korean national health care system, United Way of Korea, city hospital, community service centers, and social enterprise.
> On-campus housing at a local University during the stay in South Korea, roundtrip airfare, meals, transportation (local and to/from airport), health insurance, and Study Abroad fee
> Group excursion to local attractions and Korean Demilitarized Zone

PROGRAM REQUIREMENTS:
You must capable of respectfully adapting to the foods and living situations of another culture as well as adapting to the demands of group travel. Your are expected to adhere to the rules and safety guidelines of the Program Leaders.

SEMESTER/DATES:
Summer I, 2018
On-Campus session: 5/14 - 5/17/2018
Stay in South Korea: 5/23 - 6/6/2018

ANTICIPATED COST:
$, 2,965+ tuition and passport fees

PROGRAM AVAILABLE FOR:
> Bachelor’s, Master’s, or doctoral social work students on any of the IU campuses
> students in other disciplines such as nursing, medicine, public health, and other health related fields

INFO SESSION DATES:
9/20/17, 12pm-1:15pm ES4130
10/5/17, 12pm-1:15pm ES4130
10/24/17, 12pm-1:15pm ES4130
11/14/17, 12pm-1:15pm ES4130
